CAF celebrates 10th Annual Valentine's Day Exhibition and Benefit: SWOON

SANTA BARBARA, CA –Santa Barbara Contemporary Arts Forum is pleased to announce its *Swoon: 10th Annual Valentine's Day Exhibition and Benefit* on Saturday, February 10, 2007. CAF's Valentine's Day Benefit is *THE* premier contemporary art and wine auction on the Central Coast. A combined art exhibition and benefit, *Swoon* celebrates Modern Living with silent and live auctions of art, superior

wine, and objects of high design. The reception, from 6-9 PM, will include 1930s meets 2007 themed entertainment, food, and cocktails at a cost of \$50 a person. And with tickets to *Swoon* only \$50—the evening is an intoxicating deal.

On view from January 20 - February 10, 2007 at CAF, the art exhibition will feature over 30 works of local Santa Barbara art luminaries as well as internationally acclaimed artists that will be auctioned off at exhilarating rates. For those with a more domestic sensibility, the design auction will include coveted, upscale chairs, lamps, and other treasures.

The final star of the evening is the unparalleled wine auction. Previous years have included commemorative bottles, magnums and jeroboams from such respected vineyards as Veuve-Clicquot, Lail Vineyards, Sine Qua Non, L'Aventure Au Bon Climat, Sanford, Qupe and many others. *All proceeds directly benefit CAF's acclaimed exhibition & education programs.*
